AFFIDAVIT OF BARRY OHMBERGER

Barry Ohmberger, being first duly sworn, deposes and states:

1. I am over the age of 18. I make this Affidavit on personal knowledge and I am competent to testify to the matters stated in this Affidavit. All of the information contained in this Affidavit is true and correct, and I would testify to the same, if called upon to do so.

2. I am employed as the Telecommunications and Mobile Technology Operations Manager at Professional Transportation, Inc. ("PTI"). My business address is 3700 E Morgan Avenue, Evansville, Indiana. In August of 2017, I held the same position at the same location with PTI as I do today.

3. I have no personal knowledge of the events of August 12, 2017 involving Jacob Tischer's personal health condition. However, subsequently, and in preparation for my disclosure as a non-retained expert witness in this case, I undertook to review certain materials relevant to this matter.

4. Among the materials I reviewed was a document entitled “Activity – Detail” which data was downloaded and produced by PTI. (See Exhibit A, attached hereto and identified as UP000511 - UP000517).

5. Global Positioning Device (“GPS”) recording devices are installed on PTI vehicles for the purposes of tracking the movement of the vehicles. I personally have downloaded and referred to this type of information, and in this format, frequently in my role at PTI.

6. A review of the GPS data reported on Exhibit A confirms that the location positioning data reported on the document was taken from the crew van vehicle, a 2013 Ford Explorer, leased by PTI and driven by PTI personnel on August 12, 2017. The data was recorded via GPS mobile device number 419-C15381.

7. Exhibit A is a true and accurate recording of the precise movements of the crew van vehicle leased by PTI and operated by PTI personnel between 12:00 a.m. and 11:59 p.m. on August 12, 2017. This document was downloaded on September 10, 2017 by PTI personnel who accessed the data by taking the following steps: (1) accessing the on-line website database maintained by Trimble, Inc., accessible at www.road.com; (2) entering the GPS mobile device number 419-C15381 and the date August 12, 2017; (3) requesting an Activity – Detail Report; and (4) downloading the generated Activity – Detail Report. Thereafter, this document was kept by PTI in the ordinary course of its business.

8. I am aware that on August 12, 2017, PTI employed Charles “Chaz” Lux as a van driver supporting the transportation of Union Pacific Railroad Company train crews in and between its various facilities.

9. Among the materials I reviewed was a document entitled “Shift List” which document was produced by PTI. (See Exhibit B, attached hereto and identified as PTI 0375 – PTI 0376).

9. In review of PTI’s Shift List regarding Mr. Lux, I can confirm that Mr. Lux was assigned to and did operate exclusively the crew van vehicle that is the subject of Exhibit A, in and between Union Pacific railroad facilities between the hours of 8:01 a.m. and 9:20 p.m. on August 12, 2017. (Exhibit A; Exhibit B).

10. Therefore, the GPS data recorded in Exhibit A represents a true and accurate reporting of the crew van movements made by Mr. Lux between the hours of 8:01 a.m. and 9:20 p.m. on August 12, 2017.

I declare under penalty of perjury under the laws of the State of Indiana that the foregoing is true and correct and that this declaration was executed on this 15th day of January 2020.
